Product Datasheet

Human Ninein (NIN) ELISA Kit ASC-KTE61335

Article Name	Human Ninein (NIN) ELISA Kit
Biozol Catalog Number	ASC-KTE61335
Supplier Catalog Number	KTE61335
Alternative Catalog Number	ASC-KTE61335-48, ASC-KTE61335-96
Manufacturer	Abbkine Scientific
Category	Kits/Assays
Application	ELISA
Species Reactivity	Human
Product Description	This Human Ninein (NIN) ELISA Kit employs a two-site sandwich ELISA to quantitate NIN....
Range	Please inquire
Sensitivity	Please inquire
Tag	NIN
NCBI	51199
UniProt	Q8N4C6
Samples	Cell culture supernatantsSerumPlasmaOther biological fluids

Application Notes

This Human Ninein (NIN) ELISA Kit employs a two-site sandwich ELISA to quantitate NIN in samples. An antibody specific for NIN has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any NIN present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for NIN is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of NIN bound in the initial step. The color development is stopped and the intensity of the color is measured.
