Product Datasheet

Human Nicalin (NCLN) ELISA Kit ASC-KTE61346

Article Name	Human Nicalin (NCLN) ELISA Kit
Biozol Catalog Number	ASC-KTE61346
Supplier Catalog Number	KTE61346
Alternative Catalog Number	ASC-KTE61346-48, ASC-KTE61346-96
Manufacturer	Abbkine Scientific
Category	Kits/Assays
Application	ELISA
Species Reactivity	Human
Product Description	This Human Nicalin (NCLN) ELISA Kit employs a two-site sandwich ELISA to quantitate NCLN....
Range	Please inquire
Sensitivity	Please inquire
Tag	NCLN
NCBI	56926
UniProt	Q969V3
Samples	Cell culture supernatantsSerumPlasmaOther biological fluids

Application Notes

This Human Nicalin (NCLN) ELISA Kit employs a two-site sandwich ELISA to quantitate NCLN in samples. An antibody specific for NCLN has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any NCLN present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for NCLN is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of NCLN bound in the initial step. The color development is stopped and the intensity of the color is measured.
