## Product Datasheet

### **Monoclonal Antibody to Human MHCII/HLA DQ (Clone: SPVL3), Clone: [SPVL3], Mouse ABI-10-4134**

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| Article Name               | Monoclonal Antibody to Human MHCII/HLA DQ (Clone: SPVL3), Clone: [SPVL3], Mouse |
| Biozol Catalog Number      | ABI-10-4134                                                                     |
| Supplier Catalog Number    | 10-4134                                                                         |
| Alternative Catalog Number | ABI-10-4134-100UG                                                               |
| Manufacturer               | Abeomics                                                                        |
| Host                       | Mouse                                                                           |
| Category                   | Antikörper                                                                      |
| Application                | FACS, IF                                                                        |
| Species Reactivity         | Human                                                                           |
| Immunogen                  | Cells of T4 and CTL clone HG-38 were used as immunogen for this antibody.       |
| Clonality                  | Monoclonal                                                                      |
| Clone Designation          | [SPVL3]                                                                         |
| NCBI                       | <a href="#">3117</a>                                                            |
| UniProt                    | <a href="#">P01909</a>                                                          |
| Purity                     | Protein G Chromatography                                                        |
| Form                       | Purified                                                                        |

|                    |                                      |
|--------------------|--------------------------------------|
| Target             | MHCII/HLA DQ                         |
| Application Dilute | FACS: 0.5-1 µg/10 <sup>6</sup> cells |
