## Product Datasheet

### MSH2, IgG2b, Clone: [10G3], Unconjugated, Mouse, Monoclonal HBO-EM1801-06

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | MSH2, IgG2b, Clone: [10G3], Unconjugated, Mouse, Monoclonal              |
| Biozol Catalog Number      | HBO-EM1801-06                                                            |
| Supplier Catalog Number    | EM1801-06                                                                |
| Alternative Catalog Number | HBO-EM1801-06                                                            |
| Manufacturer               | HUABIO                                                                   |
| Host                       | Mouse                                                                    |
| Category                   | Antikörper                                                               |
| Application                | IHC-P, WB                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                        |
| Immunogen                  | Synthetic peptide within N-terminal residues of Human MSH2.              |
| Conjugation                | Unconjugated                                                             |
| Clonality                  | Monoclonal                                                               |
| Concentration              | 2 mg/mL.                                                                 |
| Clone Designation          | [10G3]                                                                   |
| Molecular Weight           | Predicted band size: 105 kDa                                             |
| Isotype                    | IgG2b                                                                    |
| UniProt                    | <a href="#">P43246</a>                                                   |
| Buffer                     | 1*PBS (pH7.4), 0.2% BSA, 50% Glycerol. Preservative: 0.05% Sodium Azide. |

|                    |                                           |
|--------------------|-------------------------------------------|
| Purity             | Protein G affinity purified.              |
| Form               | Liquid                                    |
| Application Dilute | WB: 1:2,000-1:5,000 ,IHC-P: 1:100-1:1,000 |
