| Alternative Catalog Number | RDD-RD267569A-60,RDD-RD267569A-120,RDD-RD267569A-200                                              |
| Manufacturer               | reddot Biotech                                                                                    |
| Host                       | Rabbit                                                                                            |
| Category                   | Antikörper                                                                                        |
| Application                | WB                                                                                                |
| Species Reactivity         | Human, Mouse                                                                                      |
| Immunogen                  | Recombinant fusion protein of human NFIA (NP_005586.1).                                           |
| Conjugation                | Unconjugated                                                                                      |
| Product Description        | This is a NFIA Polyclonal Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Concentration              | 1 mg/mL                                                                                           |
| Molecular Weight           | Observed MW: 60 kDa. Observed MW: 60 kDa                                                          |
| Buffer                     | PBS with 0.02% sodium azide, 50% glycerol, pH7.3                                                  |
