| Host                       | Mouse                                                                                                    |
| Category                   | Antikörper                                                                                               |
| Application                | ELISA, IHC-P, WB                                                                                         |
| Species Reactivity         | Human                                                                                                    |
| Immunogen                  | Protein                                                                                                  |
| Conjugation                | Unconjugated                                                                                             |
| Product Description        | This is a Transferrin Monoclonal Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Clonality                  | Monoclonal                                                                                               |
| Concentration              | 1 mg/mL                                                                                                  |
| Molecular Weight           | Observed MW: 77 kDa. Observed MW: 77 kDa                                                                 |
| Buffer                     | PBS with 0.02% sodium azide, 0.5% protective protein and 50% glycerol, pH7.4                             |
