| Manufacturer               | reddot Biotech                                                                                                            |
| Host                       | Rabbit                                                                                                                    |
| Category                   | Antikörper                                                                                                                |
| Application                | ELISA, IHC-P, WB                                                                                                          |
| Species Reactivity         | Human, Mouse, Rat                                                                                                         |
| Immunogen                  | Synthesized peptide derived from human Stat6 around the phosphorylation site of Tyr641                                    |
| Conjugation                | Unconjugated                                                                                                              |
| Product Description        | This is a Phospho-STAT6 (Tyr641) Phospho-Specific Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Clonality                  | Polyclonal                                                                                                                |
| Concentration              | 1 mg/mL                                                                                                                   |
| Molecular Weight           | Observed MW: 94 kDa. Observed MW: 94 kDa                                                                                  |
| Buffer                     | PBS with 0.02% sodium azide, 0.5% protective protein and 50% glycerol, pH7.4                                              |
