| Manufacturer               | reddot Biotech                                                                                                           |
| Host                       | Rabbit                                                                                                                   |
| Category                   | Antikörper                                                                                                               |
| Application                | ELISA, WB                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                        |
| Immunogen                  | Synthesized peptide derived from human IRS-1 around the phosphorylation site of Tyr896                                   |
| Conjugation                | Unconjugated                                                                                                             |
| Product Description        | This is a Phospho-IRS1 (Tyr896) Phospho-Specific Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Clonality                  | Polyclonal                                                                                                               |
| Concentration              | 1 mg/mL                                                                                                                  |
| Molecular Weight           | Observed MW: 180 kDa. Observed MW: 180 kDa                                                                               |
| Buffer                     | PBS with 0.02% sodium azide, 0.5% protective protein and 50% glycerol, pH7.4                                             |
