| Host                       | Rabbit                                                                                                |
| Category                   | Antikörper                                                                                            |
| Application                | WB                                                                                                    |
| Species Reactivity         | Mouse, Rat                                                                                            |
| Immunogen                  | Recombinant Rat FSH beta protein expressed by E.coli.                                                 |
| Conjugation                | Unconjugated                                                                                          |
| Product Description        | This is a FSH beta Polyclonal Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Clonality                  | Polyclonal                                                                                            |
| Concentration              | 1.7mg/mL                                                                                              |
| Molecular Weight           | Observed MW: 49kDa. Observed MW: 49kDa                                                                |
| Buffer                     | PBS with 0.02% sodium azide, 50% glycerol,pH 7.4                                                      |
