| Alternative Catalog Number | RDD-RD89700A-60,RDD-RD89700A-120,RDD-RD89700A-200                                                |
| Manufacturer               | reddot Biotech                                                                                   |
| Host                       | Rabbit                                                                                           |
| Category                   | Antikörper                                                                                       |
| Application                | WB                                                                                               |
| Species Reactivity         | Human, Mouse, Rat                                                                                |
| Immunogen                  | Recombinant fusion protein of human TDG                                                          |
| Conjugation                | Unconjugated                                                                                     |
| Product Description        | This is a TDG Polyclonal Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Clonality                  | Polyclonal                                                                                       |
| Concentration              | 1mg/mL                                                                                           |
| Molecular Weight           | Observed MW: 31-43kDa. Observed MW: 31-43kDa                                                     |
| Buffer                     | PBS with 0.05% proclin300,50% glycerol,pH7.3.                                                    |
