| Category                   | Kits/Assays                                                                                                                                                                                                                     |
| Application                | ELISA                                                                                                                                                                                                                           |
| Species Reactivity         | Human                                                                                                                                                                                                                           |
| Product Description        | This Human Annexin A11 (ANXA11) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in tissue homogenates and other biological fluids . This product is for Research Use Only.... |
| Range                      | 0.156-10ng/mL                                                                                                                                                                                                                   |
| Sensitivity                | 0.061ng/mL                                                                                                                                                                                                                      |
| Samples                    | tissue homogenates and other biological fluids                                                                                                                                                                                  |
| Target                     | Human Annexin A11 (ANXA11)                                                                                                                                                                                                      |
| Application Notes          | Assay Length: 4.5 hours. Experimental Method: Sandwich                                                                                                                                                                          |
