| Category                   | Kits/Assays                                                                                                                                                                                                            |
| Application                | ELISA                                                                                                                                                                                                                  |
| Species Reactivity         | Rat                                                                                                                                                                                                                    |
| Product Description        | This Rat Ceruloplasmin (CP) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma and other biological fluids . This product is for Research Use Only.... |
| Range                      | 6.25-400ng/mL                                                                                                                                                                                                          |
| Sensitivity                | 2.44ng/mL                                                                                                                                                                                                              |
| Samples                    | serum, plasma and other biological fluids                                                                                                                                                                              |
| Target                     | Rat Ceruloplasmin (CP)                                                                                                                                                                                                 |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                   |
