| Category                   | Kits/Assays                                                                                                                                                                                                                                   |
| Application                | ELISA                                                                                                                                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                                                                                                                         |
| Product Description        | This Human Engrailed Homeobox Protein 2 (EN2) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in tissue homogenates and other biological fluids . This product is for Research Use Only.... |
| Range                      | 0.156-10ng/mL                                                                                                                                                                                                                                 |
| Sensitivity                | 0.058ng/mL                                                                                                                                                                                                                                    |
| Samples                    | tissue homogenates and other biological fluids                                                                                                                                                                                                |
| Target                     | Human Engrailed Homeobox Protein 2 (EN2)                                                                                                                                                                                                      |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                          |
