| Category                   | Kits/Assays                                                                                                                                                                                                                                       |
| Application                | ELISA                                                                                                                                                                                                                                             |
| Species Reactivity         | Mouse                                                                                                                                                                                                                                             |
| Product Description        | This Mouse Procollagen C Proteinase Enhancer 1 (PCPE1) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma and other biological fluids . This product is for Research Use Only.... |
| Range                      | 0.468-30ng/mL                                                                                                                                                                                                                                     |
| Sensitivity                | 0.18ng/mL                                                                                                                                                                                                                                         |
| Samples                    | serum, plasma and other biological fluids                                                                                                                                                                                                         |
| Target                     | Mouse Procollagen C Proteinase Enhancer 1 (PCPE1)                                                                                                                                                                                                 |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                              |
