## Product Datasheet

**p90 RSK (Phospho-Thr573) Antibody, Unconjugated, Rabbit, Polyclonal**  
**RDD-RDSA62379**

|                            |                                                                                                                                      |

| Article Name               | p90 RSK (Phospho-Thr573) Antibody, Unconjugated, Rabbit, Polyclonal                                                                  |
| Biozol Catalog Number      | RDD-RDSA62379                                                                                                                        |
| Supplier Catalog Number    | RDSA62379                                                                                                                            |
| Alternative Catalog Number | RDD-RDSA62379-100                                                                                                                    |
| Manufacturer               | reddot Biotech                                                                                                                       |
| Host                       | Rabbit                                                                                                                               |
| Category                   | Antikörper                                                                                                                           |
| Application                | IHC, WB                                                                                                                              |
| Species Reactivity         | Human                                                                                                                                |
| Immunogen                  | Peptide sequence around phosphorylation site of threonine 573(L-M-T(p)-P-C) derived from Human p90 RSK.                              |
| Conjugation                | Unconjugated                                                                                                                         |
| Product Description        | This is a p90 RSK (Phospho-Thr573) Phospho-Specific Antibody from Reddot Biotech. This product is for Research Use Only....          |
| Clonality                  | Polyclonal                                                                                                                           |
| Concentration              | 1.0 mg/mL                                                                                                                            |
| Molecular Weight           | Observed MW: 95kDa. Observed MW: 95kDa                                                                                               |
| Buffer                     | Phosphate buffered saline (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. |
