| Alternative Catalog Number | RDD-RDSA67473-100                                                                                            |
| Manufacturer               | reddot Biotech                                                                                               |
| Host                       | Rabbit                                                                                                       |
| Category                   | Antikörper                                                                                                   |
| Application                | ICC, IP, WB                                                                                                  |
| Species Reactivity         | Human                                                                                                        |
| Immunogen                  | A synthesized peptide derived from human Eg5                                                                 |
| Conjugation                | Unconjugated                                                                                                 |
| Product Description        | This is a Eg5 Rabbit mAb Recombinant Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Clonality                  | Monoclonal                                                                                                   |
| Buffer                     | Phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                          |
| Antibody Type              | Recombinant Antibody                                                                                         |
