| Alternative Catalog Number | RDD-RDSM153-100                                                                                                                     |
| Manufacturer               | reddot Biotech                                                                                                                      |
| Category                   | Kits/Assays                                                                                                                         |
| Application                | FA                                                                                                                                  |
| Species Reactivity         | All                                                                                                                                 |
| Product Description        | This is a metabolite assay kit for the Detection and Quantification of Bile Acid Content. This product is for Research Use Only.... |
| Range                      | 2 µmol/L - 200 µmol/L                                                                                                               |
| Samples                    | Urine, Serum, Tissue extracts, Other biological fluids                                                                              |
| Application Notes          | Detection Method: Colorimetric. Platform: Microplate reader 405 nm                                                                  |
