## Product Datasheet

### CD98, IgG2b, Clone: [A9D8], Unconjugated, Mouse, Monoclonal HBO-HA601124

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | CD98, IgG2b, Clone: [A9D8], Unconjugated, Mouse, Monoclonal            |
| Biozol Catalog Number      | HBO-HA601124                                                           |
| Supplier Catalog Number    | HA601124                                                               |
| Alternative Catalog Number | HBO-HA601124                                                           |
| Manufacturer               | HUABIO                                                                 |
| Host                       | Mouse                                                                  |
| Category                   | Antikörper                                                             |
| Application                | IHC-P, WB                                                              |
| Species Reactivity         | Human                                                                  |
| Immunogen                  | Recombinant protein within human CD98 aa 450-630 (Extracellular).      |
| Conjugation                | Unconjugated                                                           |
| Clonality                  | Monoclonal                                                             |
| Concentration              | 1 mg/ml                                                                |
| Clone Designation          | [A9D8]                                                                 |
| Molecular Weight           | Predicted band size: kDa                                               |
| Isotype                    | IgG2b                                                                  |
| UniProt                    | <a href="#">P08195</a>                                                 |
| Buffer                     | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |

|                    |                              |
|--------------------|------------------------------|
| Purity             | Protein A affinity purified. |
| Form               | Liquid                       |
| Application Dilute | WB: 1:1,000 ,IHC-P: 1:1,000  |
