## Product Datasheet

### Mannose Receptor(CD206), Clone: [PSH07-76], Unconjugated, Monoclonal HBO-HA601453

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | Mannose Receptor(CD206), Clone: [PSH07-76], Unconjugated, Monoclonal   |
| Biozol Catalog Number      | HBO-HA601453                                                           |
| Supplier Catalog Number    | HA601453                                                               |
| Alternative Catalog Number | HBO-HA601453                                                           |
| Manufacturer               | HUABIO                                                                 |
| Category                   | Antikörper                                                             |
| Application                | IF, IHC-Fr, IHC-P, WB                                                  |
| Species Reactivity         | Mouse, Rat                                                             |
| Immunogen                  | Recombinant protein within mouse Mannose Receptor(CD206) aa 1-1,409.   |
| Conjugation                | Unconjugated                                                           |
| Clonality                  | Monoclonal                                                             |
| Concentration              | 1 mg/mL.                                                               |
| Clone Designation          | [PSH07-76]                                                             |
| Molecular Weight           | Predicted band size: 165 kDa                                           |
| UniProt                    | <a href="#">Q61830</a>                                                 |
| Buffer                     | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |

|                    |                                                                                   |
|--------------------|-----------------------------------------------------------------------------------|
| Purity             | Protein A affinity purified.                                                      |
| Form               | Liquid                                                                            |
| Application Dilute | IHC-Fr: 1:500 ,IF-Tissue: 1:500 ,IHC-P: 1:1,000 ,WB: 1:5,000 ,IF-Cell: 1:50-1:100 |
