## Product Datasheet

### SA2, Clone: [JE57-34], Unconjugated, Rabbit, Monoclonal HBO-HA721908

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | SA2, Clone: [JE57-34], Unconjugated, Rabbit, Monoclonal                    |
| Biozol Catalog Number      | HBO-HA721908                                                               |
| Supplier Catalog Number    | HA721908                                                                   |
| Alternative Catalog Number | HBO-HA721908                                                               |
| Manufacturer               | HUABIO                                                                     |
| Host                       | Rabbit                                                                     |
| Category                   | Antikörper                                                                 |
| Application                | IF, IHC-P, WB                                                              |
| Species Reactivity         | Human, Monkey, Mouse, Rat                                                  |
| Immunogen                  | Recombinant protein within Human SA2 aa 982-1,231 / 1,231.                 |
| Conjugation                | Unconjugated                                                               |
| Clonality                  | Monoclonal                                                                 |
| Concentration              | 1 mg/mL.                                                                   |
| Clone Designation          | [JE57-34]                                                                  |
| Molecular Weight           | Predicted band size: 141 kDa                                               |
| UniProt                    | <a href="#">Q8N3U4</a>                                                     |
| Buffer                     | 1*TBBS (pH7.4), 0.05% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Purity                     | Protein A affinity purified.                                               |

|                    |                                                   |
|--------------------|---------------------------------------------------|
| Form               | Liquid                                            |
| Application Dilute | WB: 1:2,000 ,IHC-P: 1:500-1:2,000 ,IF-Cell: 1:100 |
