## Product Datasheet

### Mast Cell Tryptase, Unconjugated HBO-IRS210MS

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | Mast Cell Tryptase, Unconjugated                                       |
| Biozol Catalog Number      | HBO-IRS210MS                                                           |
| Supplier Catalog Number    | IRS210MS                                                               |
| Alternative Catalog Number | HBO-IRS210MS                                                           |
| Manufacturer               | HUABIO                                                                 |
| Category                   | Antikörper                                                             |
| Application                | IHC                                                                    |
| Species Reactivity         | Human                                                                  |
| Immunogen                  | Recombinant protein within Human Mast Cell Tryptase aa 10-275 / 275.   |
| Conjugation                | Unconjugated                                                           |
| Molecular Weight           | Predicted band size: 30 kDa                                            |
| UniProt                    | <a href="#">Q15661</a>                                                 |
| Buffer                     | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Purity                     | Protein A affinity purified.                                           |
| Form                       | Liquid                                                                 |
| Application Dilute         | mIHC: 1:100                                                            |
