| Article Name               | Aspartate Aminotransferase Rabbit Polyclonal Antibody, Unconjugated                                |
| Biozol Catalog Number      | EKL-APRAB00263                                                                                     |
| Supplier Catalog Number    | APRab00263                                                                                         |
| Alternative Catalog Number | EKL-APRAB00263-20UL, EKL-APRAB00263-50UL, EKL-APRAB00263-100UL, EKL-APRAB00263-200UL               |
| Manufacturer               | EnkiLife                                                                                           |
| Host                       | Rabbit                                                                                             |
| Category                   | Antikörper                                                                                         |
| Application                | FC, ICC, IHC, WB                                                                                   |
| Species Reactivity         | Human, Mouse, Rat                                                                                  |
| Conjugation                | Unconjugated                                                                                       |
| Product Description        | Plays a key role in amino acid metabolism....                                                      |
| Clonality                  | Polyclonal                                                                                         |
| Molecular Weight           | Calculated MW: 46 kDa, Observed MW: 46 kDa                                                         |
| NCBI                       | <a href="#">2805</a>                                                                               |
| UniProt                    | <a href="#">P17174</a>                                                                             |
| Buffer                     | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. |

|                    |                                                                |
|--------------------|----------------------------------------------------------------|
| Purity             | Affinity Chromatography                                        |
| Form               | Liquid                                                         |
| Target             | GOT1                                                           |
| Application Dilute | WB 1:500-1:1000,IHC 1:50-1:100,ICC/IF 1:50-1:200,FC 1:50-1:100 |
