| Article Name               | Thrombopoietin Receptor Rabbit Polyclonal Antibody, Unconjugated                                                   |
| Biozol Catalog Number      | EKL-APRAB00292                                                                                                     |
| Supplier Catalog Number    | APRab00292                                                                                                         |
| Alternative Catalog Number | EKL-APRAB00292-20UL, EKL-APRAB00292-50UL, EKL-APRAB00292-100UL, EKL-APRAB00292-200UL                               |
| Manufacturer               | EnkiLife                                                                                                           |
| Host                       | Rabbit                                                                                                             |
| Category                   | Antikörper                                                                                                         |
| Application                | WB                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                  |
| Conjugation                | Unconjugated                                                                                                       |
| Product Description        | Receptor for thrombopoietin. May represent a regulatory molecule specific for TPO-R-dependent immune responses.... |
| Clonality                  | Polyclonal                                                                                                         |
| Molecular Weight           | Calculated MW: 71 kDa, Observed MW: 82 kDa                                                                         |
| NCBI                       | <a href="#">4352</a>                                                                                               |
| UniProt                    | <a href="#">P40238</a>                                                                                             |
| Buffer                     | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                 |

|                    |                         |
|--------------------|-------------------------|
| Purity             | Affinity Chromatography |
| Form               | Liquid                  |
| Target             | MPL                     |
| Application Dilute | WB 1:500-1:1000         |
