## Product Datasheet

### **2-(4-(3-Bromopropoxy)phenyl)-4,4,5,5-tetramethyl-1,3,2-dioxaborolane - CS-0153853, CAS [[957061-13-1]] CMS-F213536**

|                            |                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------|
| Article Name               | 2-(4-(3-Bromopropoxy)phenyl)-4,4,5,5-tetramethyl-1,3,2-dioxaborolane - CS-0153853, CAS [[957061-13-1]] |
| Biozol Catalog Number      | CMS-F213536                                                                                            |
| Supplier Catalog Number    | F213536                                                                                                |
| Alternative Catalog Number | CMS-F213536-250MG, CMS-F213536-1G, CMS-F213536-5G                                                      |
| Manufacturer               | Fluorochem                                                                                             |
| Category                   | Biochemikalien                                                                                         |
| Molecular Weight           | 341.05                                                                                                 |
| Purity                     | 97%                                                                                                    |
| Form                       | Solid                                                                                                  |
| CAS Number                 | [957061-13-1]                                                                                          |
| Formula                    | C15H22BBrO3                                                                                            |
