| Host                       | Mouse                                                                                                                                                                                                                                                                 |
| Category                   | Antikörper                                                                                                                                                                                                                                                            |
| Application                | ELISA, WB                                                                                                                                                                                                                                                             |
| Immunogen                  | Partial recombinant corresponding to aa252-349 from human USP20 (NP_001008563) with GST tag. MW of the GST tag alone is 26kD.                                                                                                                                         |
| Product Description        | Applications: Suitable for use in ELISA and Western Blot. Other applications not tested. Recommended Dilution: Optimal dilutions to be determined by the researcher. AA Sequence:<br>VATVALTEARDSSDSDTDEKREGDRSPSEDEFLLSCDSSSDRGEGDGQGRGG<br>GSSQAETELLIPDEAGRAISE... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                            |
| Clone Designation          | [1A6]                                                                                                                                                                                                                                                                 |

|        |                                                                                                        |
