| Host                       | Mouse                                                                                                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | FLISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                  | Partial recombinant corresponding to aa252-349 from human USP20 (NP_001008563) with GST tag. MW of the GST tag alone is 26kD.                                                                                                                                 |
| Product Description        | MaxLight(TM)490 is a new Blue-Green photostable dye conjugate comparable to DyLight(TM)488, Alexa Fluor(TM)488 and offers better labeling efficiency, brighter imaging and increased immunodetection. Absorbance (491nm), Emission (515nm), Extinction Coe... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [1A6]                                                                                                                                                                                                                                                         |

|        |                                                                                           |
