| Supplier Catalog Number    | 162291                                                                                                                                                                                                      |
| Alternative Catalog Number | USB-162291-2.5                                                                                                                                                                                              |
| Manufacturer               | US Biological                                                                                                                                                                                               |
| Category                   | Biochemikalien                                                                                                                                                                                              |
| Product Description        | 7-Hydroxy-1,2-dimethyl-9H-pyrido[3,4-b]indolium-d3 Iodide is an isotope labelled beta-carboline derivative, natural constituents in the human brain deriving from tryptophan, tryptamine, and serotonin.... |
| Molecular Weight           | 343.18                                                                                                                                                                                                      |
| Form                       | Supplied as a Light Brown Solid                                                                                                                                                                             |
