## Product Datasheet

### **CLTA (Clathrin, Light Chain (Lca), LCA) (HRP), Clone: [4D5], Mouse, Monoclonal USB-244775-HRP**

|                            |                                                                                                                                                                                                                                                               |

| Immunogen                  | CLTA (AAH19287, 1aa-218aa) full-length recombinant protein with GST tag. MW of the GST tag alone is 26kD.                                                                                                                                                     |
| Product Description        | Clathrin is a large, soluble protein composed of heavy and light chains. It functions as the main structural component of the lattice-type cytoplasmic face of coated pits and vesicles which entrap specific macromolecules during receptor-mediated endo... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [4D5]                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">19287</a>                                                                                                                                                                                                                                         |
| Purity                     | Purified                                                                                                                                                                                                                                                      |

|      |                                                                                                        |
|------|--------------------------------------------------------------------------------------------------------|
| Form | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with horseradish peroxidase (HRP). |
