## Product Datasheet

### **COL4A6 (Collagen, Type IV, alpha 6, MGC88184) (HRP), Clone: [2F1], Mouse, Monoclonal USB-244837-HRP**

|                            |                                                                                                                                                                                                                                                                        |

| Category                   | Antikörper                                                                                                                                                                                                                                                             |
| Application                | ELISA                                                                                                                                                                                                                                                                  |
| Immunogen                  | COL4A6 (AAH05305, 1aa-73aa) full-length recombinant protein with<br>GST tag. MW of the GST tag alone is 26kD.                                                                                                                                                          |
| Product Description        | This gene encodes one of the six subunits of type IV collagen, the<br>major structural component of basement membranes. Like the other<br>members of the type IV collagen gene family, this gene is organized<br>in a head-to-head conformation with another type I... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                             |
| Clone Designation          | [2F1]                                                                                                                                                                                                                                                                  |
| NCBI                       | <a href="#">05305</a>                                                                                                                                                                                                                                                  |
| Purity                     | Purified                                                                                                                                                                                                                                                               |

|      |                                                                                                        |
|------|--------------------------------------------------------------------------------------------------------|
| Form | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with horseradish peroxidase (HRP). |
