| Alternative Catalog Number | USB-347936-5                                                                                                                                                                                                                                                  |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                 |
| Category                   | Molekularbiologie                                                                                                                                                                                                                                             |
| Product Description        | Has antibacterial activity. {ECO:0000305}. Biological Activity: Fully biologically active when compared to standard. The biological activity determined by a chemotaxis bioassay using immature human dendritic cells is in a concentration range of 10-10... |
| Molecular Weight           | 4.3                                                                                                                                                                                                                                                           |
| UniProt                    | <a href="#">O15263</a>                                                                                                                                                                                                                                        |
| Purity                     | 98% as determined by SDS-PAGE and HPLC.                                                                                                                                                                                                                       |
| Form                       | Lyophilized from 0.2um filtered 20mM PBS, pH 7.4, 130mM NaCl                                                                                                                                                                                                  |
