| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                  |
| Product Description        | 3-Amino-5-(cyclopropylcarbamoyl)phenylboronic acid Molecular Formula: C <sub>10</sub> H <sub>13</sub> BN <sub>2</sub> O <sub>3</sub> Molecular Weight: 220.03 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 220.03                                                                                                                                                                                                                                                                                          |
