| Category                   | Biochemikalien                                                                                                                                                          |
| Product Description        | CXCL9 Protein, Human, Recombinant is expressed in E. coli expression system. The predicted molecular weight is 11.9 kDa and the accession number is Q07325....          |
| Purity                     | 0.977                                                                                                                                                                   |
