| Category                   | Biochemikalien                                                                                                                                         |
| Product Description        | 2,6-Dimethyl-3-O-methyl- is a natural product for research related to life sciences. The catalog number is TN2740 and the CAS number is 97761-91-6.... |
| Molecular Weight           | 252.31                                                                                                                                                 |
| CAS Number                 | [97761-91-6]                                                                                                                                           |
| Formula                    | C14H20O4                                                                                                                                               |
| Target                     | Others                                                                                                                                                 |
