| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | FLISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                  | Partial recombinant corresponding to aa201-292 from human CNOT8 with GST tag. MW of the GST tag alone is 26kD.                                                                                                                                                |
| Product Description        | MaxLight(TM)490 is a new Blue-Green photostable dye conjugate comparable to DyLight(TM)488, Alexa Fluor(TM)488 and offers better labeling efficiency, brighter imaging and increased immunodetection. Absorbance (491nm), Emission (515nm), Extinction Coe... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [1F11]                                                                                                                                                                                                                                                        |
| NCBI                       | <a href="#">004779</a>                                                                                                                                                                                                                                        |

|        |                                                                                           |
|--------|-------------------------------------------------------------------------------------------|
| Purity | Purified by Protein A affinity chromatography.                                            |
| Form   | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with MaxLight(TM)490. |
