| Alternative Catalog Number | USB-574052-50, USB-574052-100                                                                                                                                                                                                                               |
| Manufacturer               | US Biological                                                                                                                                                                                                                                               |
| Host                       | Rabbit                                                                                                                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                                                                                                                  |
| Application                | ELISA, IHC, WB                                                                                                                                                                                                                                              |
| Immunogen                  | Recombinant protein corresponding to aa277-387 from human Rab3 GTPase-activating protein non-catalytic subunit protein.                                                                                                                                     |
| Product Description        | Regulatory subunit of a GTPase activating protein that has specificity for Rab3 subfamily (RAB3A, RAB3B, RAB3C and RAB3D). Rab3 proteins are involved in regulated exocytosis of neurotransmitters and hormones. Rab3 GTPase-activating complex specific... |
| UniProt                    | <a href="#">Q9H2M9</a>                                                                                                                                                                                                                                      |
| Purity                     | Purified by Protein G affinity chromatography.                                                                                                                                                                                                              |
| Form                       | Supplied as a liquid in 0.01M PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                                                                                                                                 |
