| Host                       | Rabbit                                                                                                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                                                                                                     |
| Application                | ELISA                                                                                                                                                                                                                                                          |
| Immunogen                  | Recombinant protein corresponding to aa1-300 from human E3 ubiquitin-protein ligase TRIM17 protein.                                                                                                                                                            |
| Product Description        | Applications: Suitable for use in ELISA. Other applications not tested. Recommended Dilution: Optimal dilutions to be determined by the researcher. Storage and Stability: Store product at 4°C if to be used immediately within two weeks. For long-term s... |
| UniProt                    | <a href="#">Q9Y577</a>                                                                                                                                                                                                                                         |
| Purity                     | Purified by Protein G affinity chromatography.                                                                                                                                                                                                                 |
| Form                       | Supplied as a liquid in 0.01M PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol. Labeled with horseradish peroxidase (HRP).                                                                                                                                         |
