## Product Datasheet

### **2-(Acetylamino)-2-deoxy-4-O-(beta-D-galactopyranosyl)-beta-D-glucopyranosyl Azide, CAS [[187988-46-1]] USB-001244**

|                            |                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------|
| Article Name               | 2-(Acetylamino)-2-deoxy-4-O-(beta-D-galactopyranosyl)-beta-D-glucopyranosyl Azide, CAS [[187988-46-1]] |
| Biozol Catalog Number      | USB-001244                                                                                             |
| Supplier Catalog Number    | 001244                                                                                                 |
| Alternative Catalog Number | USB-001244-5                                                                                           |
| Manufacturer               | US Biological                                                                                          |
| Category                   | Molekularbiologie                                                                                      |
| Product Description        | beta-glycosyl azide derivative used in the preparation of biantennary N-linked glycoform of CD52....   |
| Molecular Weight           | 480.36                                                                                                 |
| CAS Number                 | [187988-46-1]                                                                                          |
