## Product Datasheet

### **N-Acetyl-S-(2-carboxypropyl)-L-cysteine-d3 Dicyclohexylammonium Salt (Mixture of Diastereomers) USB-001316**

|                            |                                                                                                                                 |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | N-Acetyl-S-(2-carboxypropyl)-L-cysteine-d3 Dicyclohexylammonium Salt (Mixture of Diastereomers)                                 |
| Biozol Catalog Number      | USB-001316                                                                                                                      |
| Supplier Catalog Number    | 001316                                                                                                                          |
| Alternative Catalog Number | USB-001316-1                                                                                                                    |
| Manufacturer               | US Biological                                                                                                                   |
| Category                   | Biochemikalien                                                                                                                  |
| Product Description        | A labeled metabolite of S-(2-Carboxypropyl)glutathione Form: White Solid Melting Point: 164-167C Solubility: Methanol, Water... |
| Molecular Weight           | 433.62                                                                                                                          |
| Form                       | White Solid                                                                                                                     |
