| Alternative Catalog Number | USB-009531-5                                                                                               |
| Manufacturer               | US Biological                                                                                              |
| Category                   | Biochemikalien                                                                                             |
| Product Description        | Risperidone impurity. Form: Off-White Solid Melting Point: 124-126C<br>Solubility: Chloroform, Methanol... |
| Molecular Weight           | 415.48                                                                                                     |
| Form                       | Off-White Solid                                                                                            |
| CAS Number                 | [158697-67-7]                                                                                              |
