| Category                   | Molekularbiologie                                                                                                                                                                                                                                             |
| Application                | ELISA                                                                                                                                                                                                                                                         |
| Product Description        | Control Peptide for A3309-10A. Source: Synthetic peptide of ARAP3. Applications: Suitable for use in ELISA and Antibody Blocking. Other applications not tested. Recommended Dilution: Optimal dilutions to be determined by the researcher. Storage and S... |
| Purity                     | Purified                                                                                                                                                                                                                                                      |
| Form                       | Supplied as a lyophilized powder. Reconstitute with 200ul sterile dH2O.                                                                                                                                                                                       |
