| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, IHC, WB                                                                                                                                                                                                                                                |
| Immunogen                  | Synthetic peptide of human DDB1                                                                                                                                                                                                                               |
| Product Description        | The protein encoded by this gene is the large subunit (p127) of the heterodimeric DNA damage-binding (DDB) complex while another protein (p48) forms the small subunit. This protein complex functions in nucleotide-excision repair and binds to DNA foll... |
| UniProt                    | <a href="#">Q16531</a>                                                                                                                                                                                                                                        |
| Purity                     | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |

|      |                                                                        |
|------|------------------------------------------------------------------------|
| Form | Supplied as a liquid in PBS, pH 7.4, 0.05% sodium azide, 40% glycerol. |
