| Alternative Catalog Number | USB-408286-25,USB-408286-50                                                                                                                                                                                                                                                        |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                                      |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                     |
| Product Description        | 1-(7-Bromo-1H-indol-2-yl)-2,2,2-trifluoroethanone Molecular Formula: C <sub>10</sub> H <sub>5</sub> BrF <sub>3</sub> NO Molecular Weight: 292.05 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 292.05                                                                                                                                                                                                                                                                             |
| CAS Number                 | [1820716-54-8]                                                                                                                                                                                                                                                                     |
