| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                  |
| Product Description        | 3-(n-Butylaminocarbonyl)-5-nitrophenylboronic acid Molecular Formula: C <sub>11</sub> H <sub>15</sub> BN <sub>2</sub> O <sub>5</sub> Molecular Weight: 266.06 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 266.06                                                                                                                                                                                                                                                                                          |
