| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                   |
| Product Description        | 3-Bromo-2-(4-ethylpiperazino)-5-methylpyridine, HCl Molecular Formula: C <sub>12</sub> H <sub>19</sub> BrCIN <sub>3</sub> Molecular Weight: 320.66000000000003 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 320.66                                                                                                                                                                                                                                                                                           |
