| Manufacturer               | US Biological                                                                                                                                                                                                                                                                                      |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                     |
| Product Description        | 3-Fluoropyridine-4-boronic acid hydrate Molecular Formula: C <sub>5</sub> H <sub>5</sub> BFNO <sub>2</sub> H <sub>2</sub> O Molecular Weight: 140.91180199999999 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
