| Product Description        | 4-Methylumbelliferyl stearate is a substrate for the measurement of lipase activity. Molecular Formula: C <sub>28</sub> H <sub>42</sub> O <sub>4</sub> Molecular Weight: 442.63 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to rem... |
| Molecular Weight           | 442.63                                                                                                                                                                                                                                                                                              |
