| Alternative Catalog Number | USB-449709-1,USB-449709-2.5                                                                                                                                                                                                                                                                          |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                                                        |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                       |
| Product Description        | Ethyl Phenylphosphinate is used in the phosphorylation of peptides.<br>Molecular Formula: C <sub>8</sub> H <sub>11</sub> O <sub>2</sub> P Molecular Weight: 170.15 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 170.15                                                                                                                                                                                                                                                                                               |
