| Product Description        | beta-Estradiol-d3 3,17-Disulfate Dipotassium Salt is the labeled analogue of beta-Estradiol 3,17-Disulfate Dipotassium Salt (E888945), which increases equilibrium distribution ratios by inhibiting efflux without an appreciable action on influx of am... |
| Molecular Weight           | 511.71                                                                                                                                                                                                                                                       |
