| Alternative Catalog Number | USB-475038-100                                                                                                                                                                                                                                                |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | WB                                                                                                                                                                                                                                                            |
| Immunogen                  | Synthetic peptide corresponding to the N-terminal region of Human AL1A3                                                                                                                                                                                       |
| Product Description        | This gene encodes an aldehyde dehydrogenase enzyme that uses retinal as a substrate. Mutations in this gene have been associated with microphthalmia, isolated 8, and expression changes have also been detected in tumor cells. Alternative splicing resu... |
| UniProt                    | <a href="#">P47895</a>                                                                                                                                                                                                                                        |
| Purity                     | Purified by affinity chromatography.                                                                                                                                                                                                                          |
| Form                       | Supplied as a liquid in PBS, 2% sucrose, 0.09% sodium azide.                                                                                                                                                                                                  |
