| Alternative Catalog Number | USB-547636-200                                                                                                                                                                                                                                                |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | IHC, IP, WB                                                                                                                                                                                                                                                   |
| Immunogen                  | Synthetic peptide corresponding to mouse Immunoglobulin G2b, conjugated to OVA.                                                                                                                                                                               |
| Product Description        | Applications: Suitable for use in Western Blot, Immunohistochemistry, Immunocytochemistry and Immunoprecipitation. Other applications not tested. Recommended Dilution: Western Blot: 0.2-2ug/ml Immunohistochemistry: 5-20ug/ml Immunocytochemistry: 5-20... |
| Purity                     | Purified by Protein A and peptide affinity chromatography.                                                                                                                                                                                                    |
| Form                       | Supplied as a liquid in PBS, pH 7.4, 0.02% sodium azide, 50% glycerol.                                                                                                                                                                                        |
